

Our Concept

Mum N Kids adopts a Waldorf / Reggio Emilia approach whereby children are the one who choose and decide their free play activities in a more will-oriented manner. Children are encourage to use their imagination to explore. Educative elements are twined into the activities with fun and play factors to induce learning. Art and creativity are the central of the program.

Mission

1. Allowing children to develop communication and social skills at their own pace via our free play element.
2. Children led and open ended activities
3. Building a child's emotional confidence
4. Encouraging physical activity in our outdoor zone.
5. Supporting children's imagination and creativity
6. Learning through role-play
7. Focus on cognitive, active and

Love Class (18 months to 30 months)

We give our fullest love, care and attention to the group of explorers who are overcoming separation anxiety, picking up basic communication and expression skills, exploring fine and gross motor skills and achieving cognitive and emotional milestones.

We aim to help our little explorers gain confidence and feel secure so that they can enjoy learning and growing.

Joy and Faith Class (30 months to 5 years old)

Faith Class is about believing our toddlers are all unique individuals borne to succeed and excel in their own ways. We encourage social interaction, daily life skills independence and self-confidence.

Activities related to art, practical life skills, language, numbers , nature science and environmental are twined into the program to promote growth and learning experiences.
